PARTNER'S PROGRAM

Partner's Program

No need to leave the husband or wife behind to keep those home fires burning; bring them along and encourage them to participate in the special program we arrange just for partners. This year's activities include workshops on a variety of timely topics, tours to local sites, an opportunity to join their spouses for conference keynote speakers, a chance to participate in a service project, quality entertainment and, best of all, a chance to see old friends and create new ones.
